ABOUT, INFO, GUIDELINES

At National Camp, we love Jesus, the Gospel, the local Church, and students! This week of camp is a week to partner with local Churches to reach students with the Gospel, in hopes they come to know Jesus, and grow in Him. We believe our time in the Word is THE most important aspect of camp. That is at the center of what we do. Along with Biblical preaching, we partner with the local Church for small group time, exciting fun, and a week that students absolutely love!

Guidelines: As a leadership team, we ask the local church to help us with a few simple guidelines. All clothing should be modest, and honorable. This includes dress clothes for worship, and clothes during recreation time. During swim times, we ask each student and adult to please wear clothes over swimsuit to and from the pool.

As soon as your church is checked in, there is no reason for guys to be near the girls cabins or girls to be near the guys cabins. If something happens, please find a leadership team member and we will assist you.

That being said, we believe God is for NAT CAMP and will do exceedingly abundantly more! We can't wait to see you at camp!
